

HNHS Regulated Medical Waste Training Request Form

The U.S. Department of Transportation Hazardous Materials Regulations (49 CFR Part §172.704) requires hazmat employees to be trained. Included in our service to you, HNHS offers an online interactive training course which covers many requirements for Regulated Medical Waste (Infectious Waste), segregation, packaging, handling, and transportation. *Per regulations, this training is required every three years.*

Please provide: **company name/address; contact name/phone number;** as well as the **name and e-mail address of each employee** who will need to be trained. Please return via e-mail (support@hmv-hnhs.com) or fax (269-329-8200). If you have any questions, please give us a call at 269-329-3200.

NOTE – each employee must have a different email address; email addresses may not be used more than once.

Please type or print.
